Often Copied. Never Replicated

Why trust your big day to just anyone? We're Charleston's original vintage camper.

And while others may copy our style, they simply can't re-create our creativity.

We've been in business since 2014 and have already catered - hundreds - of events across the Lowcountry, from intimate weddings of 33 to large corporate events of 400 to 2,500 at all of Charleston's most [prestigious venues](#).

This isn't a part-time gig for me, Lulu's is my life. It's a little business I created from nothing. I've watched it flourish from a booth at the local farmer's market to now three mobile units.

I'm exceptionally proud of what I created. Myself, and my staff, would be honored to be part of your special day.

Owner,
Karen Moran

We Mix. You Mingle.

Why pay a premium for liquor, another charge for bar furniture rental, set up fees and confusing per person, per hour rates? We'll serve your guests carefully crafted mixed drinks, beer, wine and champagne cocktails from our rockin' caravans, for a fraction of the cost of a traditional bar service.

We have two mobile bars to accommodate any size event from a small backyard BBQ, to a big ole Southern wedding to corporate functions.

We supply our cocktail caravan, TIPS Certified bartenders, ice, plastic barware, mixers (depending on package), garnishes, napkins and you supply the booze.

We don't charge extra to pour your champagne toast and we never leave clean up for your caterer – we take out everything we bring in. Being the consummate professionals, we also clear tables throughout your event.

We'll personally pick up and deliver liquor to your venue. You simply pay for alcohol separately, while we oversee everything else. In most cases, we're able to return unused and unopened liquor for a full refund within 72 hours.

Or take leftover alcohol for your after-party and save even more.
